

# Trent ATF Dexron III

Semi Synthetic Automatic Transmission Fluid.

## Description

Trent ATF Dexron III is a multi-purpose automatic transmission fluid for commercial and passenger car gearboxes meeting a very wide range of specifications. The automatic transmission is one of the most complicated mechanisms in modern automotive engineering and consequently requires complex fluids for efficient operation.

Trent ATF Dexron III is manufactured from premium synthetic base stocks and high-quality solvent refined base oils with specially selected additives and friction modifiers to produce a lubricant with outstanding durability. It demonstrates excellent frictional stability and offers extended fluid life even when under the most severe conditions.

## Application

Trent ATF Dexron III is recommended for automatic transmissions and power steering units in cars, vans, trucks, buses, agricultural and industrial machines where the following specifications are required.

## Product Specification:

- |                  |   |
|------------------|---|
| • General Motors | Dexron IIIH, Dexron IIIG, Dexron IID, TASA          |
| • Ford           | Mercon  |
| • Allison        | C-4, TES-389  |
| • Mercedes Benz  | 236.10, 236.9, 236.8, 236.7, 236.6, 236.5, 236.1    |
| • Caterpillar    | TO-2  |
| • MAN            | 339F, 339 V1 & Z1, 339 V2 & Z2                      |
| • Voith          | 55.6335 (G607)                                      |
| • Volvo          | 97341, 97340  |
| • ZF             | TE-ML 02F, 03D, 04D, 09, 11A, 11B, 14A,14B, 16L 17C |

## Benefits

- Long oil life
- Improves clutch durability
- Can be used as a power steering fluid
- Excellent protection against wear
- Low foaming tendencies
- Compatible with all elastomers and other sealing materials
- High thermal stability

### Typical Inspection Data

Property	
Appearance	Red
Density at 15.6°C	0.882
Viscosity at 100°C	7.91
Flash Point COC (°C)	205

## Health and Safety
